**TO: ALL AFFILIATED LOCAL UNIONS, STAFF
REPRESENTATIVES AND LABOUR COUNCILS**

Dear Sisters and Brothers:

Enclosed is an information brochure which will introduce you to, or update you on, the Canadian Association of Union Services, (CAUS), Multi-Union Benefits Plan.

CAUS has been established by the labour movement as a national, non-profit organization designed to foster and encourage the goals of unions in Canada through Working Enterprises Insurance Services Ltd., which is owned and operated by the labour movement. A wide range of insurance products and services are now available.

One product which we at the Federation of Labour office are familiar with is the CAUS Multi-Union Benefits Plan. We have participated in this group benefits plan since 1997 and can report that coverage, service and pricing have all been excellent. They also offer group benefits for new certifications with as few as 5 members. We urge you to explore the possibility of participating in this program.

We look at this opportunity as a great way to support our Be Union, Buy Union philosophy and bring something new and exciting to our union membership.

Please take the time to read this information and act on it, thank you!

In solidarity,

**Gil McGowan
President**

**Kerry Barrett
Secretary Treasurer**
